

6 Month Peer Leadership and Mentoring Program (PLP)

7th April – 3rd November 2022

Have you wanted to really live NVC in your life - with care, authenticity, and power - as well as in all your relationships?

Do you want more clarity around the skills and how to apply the different paradigms of NVC?

Have you considered sharing this work with others, formally or informally, and would like mentorship, acceleration, and confidence in developing your skills?

Would you like the simple self-awareness and authenticity that NVC brings in all your relationships?

Would you like to step into your authentic leadership in your workplace or profession, to encourage the care, safety and trust that NVC brings?

If so, then I am proud and delighted to announce the commencement of the 6 month Peer Leadership and Mentoring Program in Australia.

What Is the 6 Month Peer Leadership and Mentoring Program?

This is a small group of committed people, stepping even more fully into their personal leadership, and being intimately mentored by me – Shari Elle – over this 6 months.

It is called the “Peer Leadership Program” because in addition to having me to work with you, each member is also taking responsibility for their own learning and needs whilst also co-creating the learning environment for the group. We each bring all of who we are, and all of our experience, to this group and share the skills we have in creating a rich environment of leader-full learning.

We are now in our 3rd year of running this program, and it has exceeded every hope I had. Every single participant has experienced significant changes in their lives, their career directions forward, and in their families. Just a small smattering of examples are:

- One participant is now a Certified Trainer in Australia and Internationally.
- Another became a community leader working with multi stakeholders including community to generate support and supply for low income housing in an affluent area of Sydney.
- Another is transforming culture and conflict within a major Melbourne hospital (including playing a major part in transforming the culture to one of unity at a time that many hospital staff were choosing not to be vaccinated and hence losing their positions)
- One has played a major role in assisting in an intense high need, geographic region of Australia - he told me that there is no way he could have survived the chaplaincy work he did without having completed the PLP.
- Another has stepped into a career that she didn't even allow herself to dream prior and is now being recognised within a field that previously hardly existed.
- Another has found the voice and inner capacity to speak up about structural concerns in their workplace, and be heard, supporting transformation for thousands of workers and the organisation.

6 Month Peer Leadership Program (PLP) 7th April – 3rd November 2022

And almost all participants have affected the quality of their own inner peace and alignment, and have enhanced connection and honesty and trust within their families. Everyone's lives have transformed significantly.

Aims of Program:

The power of this group is that we all get to know each other intimately and are in mutual support. There is maximum of 20 people accepted into this program.

The aims of the program are:

- To develop the skills and awareness of the next generation of NVC leaders to exceptional levels
- To integrate the intentions and practice of NVC into the daily life of participants
- To enhance the skills of participants to teach NVC and offer one on one NVC coaching sessions, and to support friends and family when required.
- To evolve a community of leaders creating the change they want to see in the world – from mutual support.
- To vastly accelerate the speed and depth of integration of NVC awareness and reduce the time toward certification (if that is what you intend).

Outline of Program:

The Program is specifically designed to nurture, accelerate and deepen the integration of NVC principles and practices into participant's lives. It runs over a six month period and it's transformational power is achieved through our group intention, mentoring, and the focused integration of this practice over this time.

The program consists of the following:

- **Weekend Trainings** - 3 x 2 day weekend peer leadership trainings, online, with the full group, led by certified trainer Shari Elle. We will cover the understanding and practical application of NVC at a deeper level than is normally shared during a regular NVC training (including Embodying NVC). It also provides the space to practically "live NVC" with each other. Group members may lead segments of training.
- **Fortnightly Live Trainings** – 16 x Fortnightly 2 hour zoom calls, learning and practicing the NVC skills and principles and sharing our individual learning. This call is led by a certified trainer (usually Shari). These calls are recorded.
- **Mentoring by Shari** – Shari will be working closely with each person over the 6 months and offering personalized guided feedback every step of the way.
- **One on one access to Shari** – You will have direct access to Shari by text or email, with short questions, celebrations, or other things you may need.

6 Month Peer Leadership Program (PLP) 7th April – 3rd November 2022

- **Pods** – You will be in a Pod of 3-5 people through the duration of the program and these pods will meet monthly with Shari for two hours. It is a time for questions, tracking how each member is going against their objectives, and to ask for any support you may need.
- **Empathy and Support Buddy (optional)** – Your pod will provide the support of empathy buddies if you would like this. You can practice the exercises, exchange empathy, and get honest feedback. This accelerates learning through increased practice and feedback.
- **Peer support group** – We are all actively supportive of each person growing and developing in the group. We are there in service of each other – each standing in our Leadership as we do so.
- **Private Signal Group** – There is a private Signal Group just for our group, where you will be asked to share reflections, celebrations and learnings, and where you can ask questions of the group. It is also where we celebrate and actively acknowledge each other – a powerful part of community building.

Optional:

- **Optional One-on-One Coaching sessions** – Shari will be accessible for by email, text and phone as part of this program. You can also purchase dedicated coaching sessions with her separately if required.

6 Month Peer Leadership Program (PLP) 7th April – 3rd November 2022

Requests of Participants joining the Peer Leadership Program:

One of the reasons this program is SO powerful is that every participant is not just holding this intention of integrating NVC and standing in the full power of their own leadership, for themselves, but they are also committed to support this in each other. A magnification of integration results.

Therefore, we request that each participant:

- Have the intention to embody this consciousness over the 6 months, applying self connection, honesty, and empathy, both during and outside the sessions.
- Support each other in our collective learning of NVC.
- Complete the 6-month program together.
- Commit to attend every scheduled training and coaching session except under exceptional circumstances.
- Implement any self-determined homeplay exercises between coaching sessions
- Prior to commencing the program, have completed a minimum of 2 days NVC training with a certified trainer. Please discuss any concerns/queries about this with Shari.

Time Commitment Required for Program:

The aim of this program is for this awareness to be incorporated into the participant's regular lives. Therefore, it does not require large amounts of time commitment outside of the specified training. It does however require a six month focus and intention of incorporating NVC in this way, as well as this program being a priority in your life.

The envisaged time required to complete this program over 6 months is

- 3 weekends of training on zoom.
- Average of twice monthly 2 hour zoom training sessions
- Pod Group call with Shari once a month for 2 hours.
- Living your normal life to do homeplay (unless you chose some other homeplay)
- Empathy Buddy exchange (optional) – 1 hour per week or fortnight.

PLP Program and NVC Certification:

Accreditation for NVC certification is coordinated by CNVC and is independent of this training. Refer to Certification Pack on CNVC website www.cnvc.org.

However, all work done in the PLP with Shari contributes to the number of days and hours which you are accruing toward your 50 days. We are also covering much of the content you will require for certification. The skills you learn, both in NVC skills and how to share NVC are directly applicable to certification.

In addition, if you are intending or considering becoming certified, I suggest you use this 6 month period to compile your NVC jackal and giraffe and personal insights journal that is required for certification.

6 Month Peer Leadership Program (PLP) 7th April – 3rd November 2022

We will also video you sharing aspects of teaching NVC which is also required as part of your accreditation.

Zoom Fortnightly Training Format:

The Peer Leadership Zoom Training Sessions are for a total of 2 hours twice monthly, on Thursday evenings, between 7.00 pm and 9.00 pm NSW time. Dates are listed in Appendix 1.

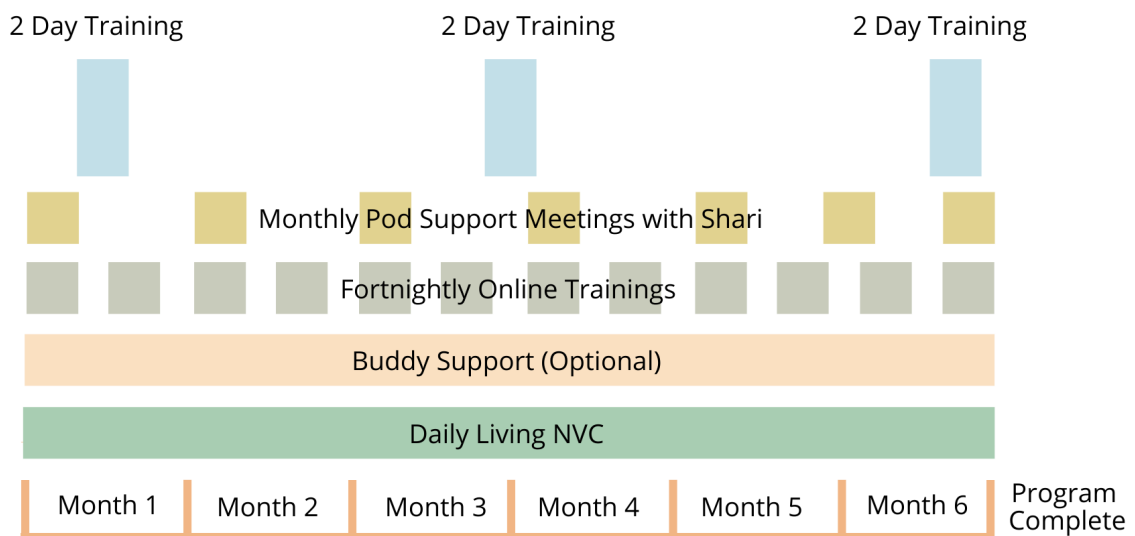

- The format for these calls is:
 - Members are asked to join the line 10 minutes prior to the starting time. This 10 minutes is for you to settle into the call.
 - Brief check in
 - Learning of a key principal / practice of NVC,
 - Breakout group to practice the exercise and get feedback with partner/group.
 - Share Questions and Learnings/Ah-ha's.
 - Closing circle
- To connect with the zoom call, you simply need a good internet connection and computer/ipad. Zoom allows for breakout groups so we will have small group practice.

Practice Buddy (optional but highly recommended):

- If you would like a practice buddy, this will also be available.
- Every week or fortnight you can get together (by zoom or in person) with a buddy and practice the skills learnt in the previous session or exchange empathy. You will also have the opportunity for feedback (in NVC format – you will learn this in an early session) to support you both to improve your skills.

Summary:

I am so deeply inspired by the next generation of leaders with NVC skills and the capacity they have in the world – in their many and diverse fields. And by the awareness and compassion we are nurturing together on the earth. But mostly, by the Power of We. What can be achieved when we unite for the common good (including our self) and have the skills to do it.

I look forward to our journeying together!

Warmly
