Leading with Connection

WHY THIS COURSE MATTERS:

The world is changing at lightning speed. It's not just AI—it's the rapid shifts across *all* areas of our lives. These changes impact how we work, how we interact socially, and how we maintain mental health and resilience. As leaders, it's *crucial* to adapt to these changes with enhanced skills and capacities.

KEY TAKEAWAYS:

- ✦ **Build Trust Amidst Change:**
Learn to build trust within your teams and with those you serve, crucial in today's fast-paced environment. Building trust is paramount at this time.
- ✦ **Navigate Chaos with Human Connection:** Develop the human connection skills that will guide your organization through rapid changes, turning challenges into opportunities.
- ✦ **Cultivate Critical Leadership Skills:**
Master authenticity, honesty, receptive listening, and the ability to hold multiple perspectives—skills vital for modern leadership. Remember, it's not just **WHAT** we communicate but **HOW** we communicate that is crucial!
- ✦ **Enhance Communication:**
Improve your ability to listen beyond words, speak with honesty and care, and ensure alignment and willingness within your team.

Course Objectives:

- Master language that fosters Engagement, Connection, Safety, and Trust.
- Understand and implement Authentic Leadership to drive outcomes and build trustworthy teams.
- Apply Leading with Connection skills to enhance clarity and non-judgmental interactions.
- Cultivate a team mindset focused on possibility and positive outcomes.
- Navigate difficult conversations effectively and strategically.
- Manage conflict with wisdom and transparency.
- Detect and address resistance early, building Trust.
- Develop Empathic Listening to understand deeper needs and foster team respect.
- Deliver feedback constructively to support and uplift team members.
- Utilise appreciation effectively to boost morale and engagement.
- Understand and leverage Power wisely in leadership.
- Make impactful requests that enhance team dynamics and results.

Transformative Results:

- Increased team engagement and trust.
- Enhanced ability to lead authentically and influence outcomes.
- Improved communication skills and reduced conflicts
- Stronger team cohesion and problem-solving capabilities.
- Enhanced ability to provide constructive feedback and appreciation.
- Clear understanding and effective use of leadership power.

Shari Elle

CULTIVATING TRUST IN
LEADERSHIP

Shari Elle is globally acknowledged for her wisdom and authority in High-Performance Relational Leadership. With over 23 years of organisational experience and as a co-founder of Nonviolent Communication in Australia, she has empowered tens of thousands to build trust, assert their influence, and know their own authentic voice in both personal and professional settings.

"I have so much gratitude to you for helping me rediscover who I am and empowering me to speak up with authenticity, even when it's hard and the stakes are high! This training is life transforming! Thank you Shari." ~ Fiona Mardling
